The screenshot displays the IBM Cognos Analytics web interface. At the top, the browser address bar shows the URL: `us1.ca.analytics.ibm.com/bi/?perspective=explore&id=explore_544b46b6-b775-4507-90b1-6a509914b0d3&options%5BdisableGlassPrefetch%5D=true&options%5Bcol...`. The main header includes the IBM Cognos Analytics with Watson logo, a 'New exploration' button, and a search bar. Below the header, a toolbar contains icons for various actions like 'Create', '3/3', 'Crosstab', and 'Analytics'. The interface is divided into three main sections:

- Selected sources /**: A sidebar on the left showing the data source '50_startups.csv' expanded. It lists several fields: 'R&D Spend', 'Administration', 'Marketing Spend', 'State', and 'Profit'.
- Build your visualization**: The central workspace features a grid visualization and the instruction 'Drag data here or onto the fields.'
- Fields**: A sidebar on the right with sections for 'Columns', 'Rows', 'Values*', and 'Local filters'. Each section contains a dashed box with the text 'Click or drag data here'.

The bottom of the image shows the Windows taskbar with various application icons and the system clock indicating 7:03 PM on 9/15/2022.
